MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT : Establishment of a Clerical Career Service  
in DD/A

REFERENCE : Memorandum from Acting DD/A for Chief, Management  
Staff, dated 24 August 1954, subject: "Amendment  
to Regulation [REDACTED]"

25X1A

1. Having reviewed the copy of the referenced memorandum which you sent me, I am of the opinion that the subject involves an Agency policy decision which should receive consideration by the Career Council.

2. Although I have no objection to the proposal, I believe it involves a principle which if adopted could result in clerical career services in at least the three largest major components of the Agency.

3. I intend to present this question for discussion at the next meeting of the Career Council and would appreciate your delaying further action until we have the benefit of that consideration.
